Please read! Requirements for Workshop Participation

Attending this Workshop, either remotely (limited only to firms meeting *criterion* below) or in person is a mandatory requirement for all vendors that have registered and intend to participate in the HIMSS09 Interoperability Showcase April 4-8, 2009 in Chicago, Illinois USA.

Remote participation at the October Workshop is an option offered to firms and their staff that satisfy the following criteria:

- *If your firm has successfully participated in the HIMSS2007 and HIMSS2008 Interoperability Showcases, then*
 - *Individuals from your firm that have attended the HIMSS2008 Participants Workshop and have personally participated in the HIMSS2007 or HIMSS2008 Interoperability Showcase, may opt to participate remotely*

Firms and individuals meeting this remote participation criterion **must** attend all general sessions and relevant breakout sessions via Web-ex. Attendance will be taken at the beginning and end of all sessions. Firms that fail to attend all required sessions via Web-ex will not be permitted to participate and will forfeit their registration.

All other firms that register for the Workshop and have not successfully participated in the HIMSS2007 and HIMSS2008 Interoperability Showcases **must send one or more staff to attend the entire Workshop in person** starting Wednesday 29 October 2008 at 10amCT through Friday 31 October 2008 ending at 3:00pmCT. **NO exceptions.** Please note that if your firm is expecting to demonstrate multiple systems or a system that spans more than one of the listed breakout session categories listed above on Thursday afternoon that, at a minimum, one staff member be available to participate in each applicable breakout.

The success of the Workshop and subsequent 2009 Showcase requires in-depth involvement by all participants. ***We thank you in advance for your cooperation!***

Questions? Please contact ihe@himss.org or call Lisa Spellman at +1-703-678-5795.
